The Mt. Vernon Unitarian Universalist Fellowship
An Emerging UUA Congregation

August 2006
No. 6 Vol. 1

Remembering Our Friend and Founding Member, Randy Farrar

July was a sad month for the Mt. Vernon Unitarian Universalist Fellowship. We said goodbye to a good friend and fellow Unitarian. Randy Farrar was the founding member of our fellowship, purchasing our building and putting out the call to build a Unitarian Universalist congregation in the Mt. Vernon area. He will be missed by us all.

We held a Memorial Service for Randy at the fellowship building on July 16. The Carbondale Unitarian Universalist Fellowship will hold a Memorial Service and Reception honoring Randy on Saturday, August 5 from 10 a.m. to 1 p.m. Please attend if you are able!

A little background about Randy, for those who are not aware of his contributions to our

fellowship: in late 2004, Randy, who had been attending the Carbondale fellowship for several years, decided to "bring Unitarianism to Mount Vernon." He purchased the former Faith Lutheran Church, located at 1600 Isabella Drive in Mount Vernon in December 2004. A small group from the Carbondale Unitarian Fellowship began planning meetings in January 2005, and informational meetings open to the public began in March 2005. A core group began to form, and regular meetings and services have been held ever since. We have grown to a fellowship with 15 committed members, as well as many other regular attendees and interested persons. We will continue to grow and expand in Mt. Vernon, but we will never

forget Randy's generous contributions, his excitement and enthusiasm about Unitarianism, and his warm personality and sense of humor.

Collections for Amy Center Much Appreciated

Diane Schwitz delivered the items collected in June to the Amy Center last month. After dropping them off, Diane had this to say, "LaDonna Richards, the director, was so thrilled and wanted me to convey her thanks and appreciation to the fellowship. She and the secretary looked at a lot of the things and were so impressed, and as I was leaving, I heard her say 'And everything is new!' The fellowship collected at least a dozen stuffed animals, some dolls, matchbox cars, books, other small toys, and about a dozen fleece blankets of various sizes, plus some monetary gifts...Thanks for your help and encouragement on this project. My fervent wish is that these items comfort children."

Trivia Night Fundraiser

The King City Theater Company is holding its third annual "Trivia Night: Trivia with a Dramatic Difference" on Saturday, September 23 at 7 p.m. to raise funds for its upcoming productions. One of those productions is MVUUF member Adam Stone's original musical "Little Egypt is My Home," which is set in southern Illinois and will be produced by the company in Spring 2007.

Teams of 8 people are needed to compete in the trivia contest. The questions cover a wide range of material and are often quite funny and fun! Shannon and Adam are hoping to put together a team from the MVUUF. Let's get out and support community theater together! Call Shannon or Adam for more details (242-3557).

I am of the opinion that my life belongs to the community, and as long as I live it is my privilege to do for it whatever I can

Treasury Matters

We started the month of July and our new fiscal year with \$2,565.55 in cash. \$300.00 of this was restricted by the donor to use in purchasing a piano.

In the period from July 1-27, contributions were in four categories: \$435.00 unrestricted by the donor; \$900.00 for the Randy Farrar memorial fund; \$376.74 for the piano fund; and \$100.00 for the purchase of materials for use in the Religious Education (RE) program which is in development. \$530.00 of the \$900.00 given to the Randy Farrar memorial fund was from sources outside our congregation. In addition to the gifts of money, a \$139.00 in-kind gift was given: ten copies of *Singing the Journey*, which is a supplement to our main hymnal, with 75 more contemporary songs.

Our expenditures from unrestricted funds for the same period were: \$600.00 for rent (current month plus one previous month); \$156.71 for utilities; and \$107.75 for flowers for Randy

Farrar's funeral.

We also emptied the piano fund by spending \$676.74 for a Casio Celviano AP-24 Digital Piano, plus a two-year extended warranty.

So, at the time the newsletter was going to press, MVUUF had \$2,836.09, of which \$900.00 was restricted for the Randy Farrar memorial fund and \$100.00 for RE materials, leaving \$1,836.09 available for general uses.

If you made any additional in-kind gifts, please submit receipts or other documentation of the market value at the time of the donation so that 1) our records can be accurate and 2) you can receive documentation of your full contribution for you to use at tax time. Also, if you have spent any money out of pocket for usual and customary church expenditures, please bring your receipts to provide documentation to support reimbursement.

Blessings,

Paul Kent Oakley, Treasurer

Religious Education

Our Religious Education Programs for Children have begun to take a priority for our fellowship. In July, the children of our fellowship learned about some famous Unitarians and talked about the cultures of ancient Egypt.

We are currently forming a Religious Education Committee and asking for volunteers to lead Sunday programs for the children of our congregation. Please let a board member know if you are interested in helping out.

Your Assistance is Requested in the Following Matters...

Our fellowship is lay-led and depends on its members to be a self sustaining and meaningful place of worship, camaraderie, and service. These things would help make the fellowship more enriching for everyone:

- ▶ Lay Leaders are needed for Children's Religious Education Programs.
- ▶ Volunteers to help create a filing and archival system.
- ▶ Bulletin boards or cork boards in good condition.
- ▶ Bookshelves for the Children's area.
- ▶ Children's books that support Unitarian Universalist values.

Universalists are often asked where they stand. The only true answer to give to this question is that we do not stand at all, we move.
