## Ten Years Ago—May 2006

The headline on the May 2006 issue of UU Matters (Yes! We had a newsletter way back then!) reads *May is Bursting with UU Activity*, and the writer was not kidding. Here is the lead story:

### ***Mt Vernon UU Fellowship Will Elect Its First Board of Trustees May 21***

After a wonderful first year of growth, the Mt. Vernon Fellowship is taking an important step toward becoming an official UU organization and a part of the Unitarian Universalist Association. Since officially adopting the bylaws of our fellowship at our April 23 service, we are set to elect our first sitting Board of Trustees. Nominations for the five board positions may be made up until the time of the election on May 21; however, to be included on the preprinted ballot, nominations must be received by 12 noon on Sunday, May 14. The five positions on the board are: Cochairs (3), Secretary (1), and Treasurer (1). You may either nominate yourself or another person for the board in any position. If you wish to nominate someone else, please speak with them ahead of time to ensure their interest and cooperation. Nominations may be given to any member of the bylaws committee (Adam, Beth, Vito, or Glenda) or sent directly to Shannon.

Other articles report a full schedule of Sunday services, including two with guest speakers; Chalice group meeting on the topic Living Simply; Open Minds meeting on the topic our health care system and alternative health care. The newsletter includes an invitation to begin work on religious education programming for children, and an invitation to participate in a workshop at Elliot Chapel on Starting a New UU Congregation. All of that before we were “official”!

This is the last of the “Tenth Anniversary” articles. I hope you have enjoyed reading about our early days, and getting to know our founding members. Many thanks to those energetic pioneers! You can follow our fellowship’s adventures by reading

UUMatters, archived on our website at [www.mtvernonuuf.org](http://www.mtvernonuuf.org). What will the next ten years hold?

## *Celebrating Ten Years of Fellowship*

Over the past year, the activities of the founders of our Fellowship have been chronicled in the pages of UU Matters, from its gestation as the kernel of an idea in the mind of Randy Farrar, continuing through early services by the first attendees, including organizing activities and holiday festivities, to the formal adoption of bylaws of the fellowship in April 2006 and election of the first Board of Trustees. Thank you to Donna Beaumont for researching and recording these details, and thanks to all early members who shared their memories of that time.

To return to our 'roots' and to one of the early MVUUF activities, over the past summer our Building Your Own Theology group met weekly, lead by Diane Schwitz, as did a Building Your Own Theology group in the early days of MVUUF, in which Diane had also participated.

Take a look at the photos and mementos on the Ten Years of Fellowship Bulletin Board for a walk down Memory Lane through some of the Services, Holiday Celebrations, Potluck meals, Special activities and Social Action of the past ten years. Our Fellowship has established traditions, some from the larger UU and UUSC communities, such as our summer services for the Flower Communion, the Gathering of the Waters, at New Year's we enjoy our Potluck and Gail has brought us the New Year's Fire Ceremony, and Souper Bowl of Caring, Earth Day and Guest at Your Table have become MVUUF events.

The Sunday May 15, 2016 service marking our ten years of Fellowship, "Homecoming," will be led by Mike DeVilbiss. Members, attendees and friends who are unable to attend are invited to send a message to share.

For this service we are happy to welcome Juanita Whitelow, a young talented Mt. Vernon native, now from the Edwardsville area, to sing a selection of gospel, jazz, and other sacred music to help celebrate the 10th anniversary of the Mt. Vernon UU Fellowship. Juanita is a musician known for her interpretations of favorite jazz, blues, gospel, and classical music. She was the featured artist during the Black American history month in Mt. Vernon two years ago and performed at schools and other venues throughout the city. Accompanying Juanita on piano will be Brett Gibbs.

Following the service, coffee will be served, while preparations are set up for the celebratory meal. The menu and decorations are coordinated by Gail DeVilbiss. Fellowship participants will bring desserts. RSVP to [homecoming516@gmail.com](mailto:homecoming516@gmail.com) by April 29, 2016. We look forward to celebrating together as our Fellowship marks this milestone of our journey together.

Unitarian Universalists claim no statement of doctrine. We believe there is no one right way to lead a religious or spiritual life. We value each individual's spiritual journey, and believe in reason, freedom, equality, and love. Join us as we gather in community, seeking peace and justice for all persons.

### ***BEING ENVIRONMENTAL*** by Debbie Czarnopys-White

Many of us may not think to remove unnecessary items from our vehicles but it helps reduce gas usage. While we reduce these things, we can perhaps find a place for a light-weight box or container that we can keep for shopping or other handy uses. Remember to keep tire pressure at the recommended level to also conserve gas and drive within the speed limit (or less) to also conserve fuel. This is a little tough when the rest of the traffic may be threatening to drive over you but there may be those instances when we can ease up on the pedal a bit, save gas, lower blood pressure, and enjoy the scenery. Though it may be nice to keep a vehicle always clean, it may not be as necessary as keeping the windows and head and taillights clean and safe. Also remember that we no longer get reminders to renew our license plate stickers, so keep an eye on the expiration date.

## Open Minds

### ***May 18, 6:30 p.m. Discussion on LGBTQ Legal Issues***

Open Minds discussion on Wednesday, May 20 will center on LGBTQ legal issues, in particular current transgender legal issues in the news concerning restrooms. Leadership is Roberta Price.

The Social Justice Interest Group hosts the Open Minds discussion series on the third Wednesday of each month **at 6:30 p.m.** at the fellowship building, to encourage exploration and discussion of social justice and related issues. The series is open to the public.

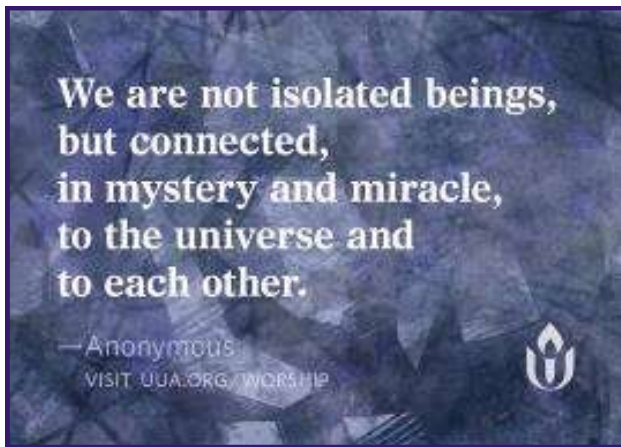

If you have a topic to discuss, concerning social justice, economic justice, environmental justice – or just being an informed citizen – please contact Donna or Vito.
